

5 June 2017

## Introducing our new brand “Uplift Accounting”

This letter is to formally inform you of an operational and a legal change that has taken place in our accounting practice. Formerly known as “MAS Tax Accountants Mount Waverley”, we have rebranded our practice as “Uplift Accounting”. Therefore, our practice, D&C Accountants Pty Ltd t/as Uplift Accounting, will no longer be associated or affiliated in any way with MAS Tax Accountants Pty Ltd effective from 05 June 2017.

However, even though we will no longer be working in association with MAS Tax Accountants, we remain committed to providing all our valued clients with the continued high level of customer care and professional service at all times.

Whilst our business mobile numbers and office address remain unchanged, we kindly ask you to update your records and to address all future business correspondence to our new brand as shown above in the top right corner of this letter. It remains part of our communication strategy to maintain transparency and to keep our valued clients and all other stakeholders fully apprised of developments around the rebranding process.

We would like to take this opportunity to thank you for your continued confidence in us and your support. We look forward to servicing you with our new branding.

We welcome any input and/or feedback you may have regarding our company. Please feel free to contact us directly if you wish.

Yours sincerely,

---
